A METHOD OF PREPARING A POSTMAN'S WALK WITH BOTH LETTERS
AND FLATS

5

For preparing a postman's walk in a plurality of sorting passes with mail items including both letters (1) and large-format flat items or "flats" (4), the method consists in:

10 - subjecting the letters to a first sorting pass in a first sorting machine (2) and subjecting the flats to a first sorting pass in a second sorting machine (5), with "letters" sorting outlets (3) and "flats" sorting outlets (6) that correspond to one another;

15 - grouping together the mail items coming from corresponding sorting outlets; and

 - performing a second sorting pass manually using a set (21) of trays (8), with various delivery points on the postman's walk being assigned to each tray.
